

Thanks for choosing CDR. Please print out this document and include the upper half inside the parcel with your device, the lower half can be used as a label. Please make sure devices are clean, and no dust bags or spray fluid remain inside the device before sending. Dusty drills will be subject to a cleaning surcharge, flooded drills may suffer damage requiring further repairs.

We have created a repair ticket using the details entered on our website. Just so we can tie up repairs to their tickets as they arrive, please fill out the details below. You can find your reference number on the book-in confirmation email where you found the link to this document.
